COUNCIL MEETS

In Regular Monthly Session—Receives Bids and Awards Contracts.

The City Council met Monday evening in the Council Chamber, with Mayor Lee presiding and all members present except Mr. Arn, of the Sixth Ward.

City Clerk Owens read the minutes of the last meeting and on motion of Mr. Keith they were received as read. City Engineer Glazier was allowed \$747.75 as salary. Assistant Engineer Otto was allowed \$17.50.

The following reports were read by the Mayor:

The semi-annual report of the City Treasurer was read and received. It showed a balance of \$5,178.76 on hand July 1, 1915.

The report of Fire Chief Newell stated that the fire company had answered three alarms during the month of June and all fire apparatus was in good condition.

Bids on the sewer to be constructed in Morrison's alley, from Commerce to Bank streets, were received. The bids were as follows:

Larry Langfels, \$638.96, city to furnish the pipe.

G. H. Traxel, \$465, which included the pipe and all labor connected with laying it.

Farrow & Company, \$585, which also included the pipe.

The contract was awarded to G. H. Traxel, with some additional plans to be made later.

Only one bid was received on the sewer from the Poplar to Lexington streets, being the one of Farrow & Company, amounting to \$2,881.21, which was accepted.

The following building permits were allowed:

M. J. Lynch, concrete veranda in front of his residence on West Second street.

E. A. Robinson, one-story frame residence, West Second street.

George M. Diener, two-story brick dwelling, Forest avenue.

Mollie Owens and Henry Blanchard, two-story brick dwelling, metal roof, East Second street.

Bids on the repairs to Limestone bridge were read by the Mayor as follows:

Middle States Construction Company, Columbus, O., \$1,545.

Champion Bridge Company, Wilmington, O., \$1,047.

Lewis Bauer, Flemingsburg, \$1,200. Short & Kahn, of this city, \$1,060, with an allowance of 50 cents per 100 pounds for old steel in bridge.

On motion of Mr. Keith, the contract was awarded to Messrs. Short & Kahn. Mr. Easton moved that a thorough coat of paint be given each piece of material before fabrication. The motion was carried.

The ordinance providing for the sale of a telephone franchise for a period of twenty years was read and laid over until next meeting.

City Clerk G. W. Owens was allowed a two-weeks' leave of absence.

A petition for the transfer of the saloon license of Moorefield & Hinton to Lopinsky & Wells was read and passed.

A paper from Mr. Fleming was read asking that the following officers be elected by the people at the general election and not by Council, as at present: Chief of Police, City Attorney, City Clerk and City Assessor.

On motion of Mr. Everett the matter was tabled by a vote of 6 to 5.

Mr. Gantley called attention to the insanitary condition of Casto street, near the Model Creamery and moved that it be paved with cement. The motion was carried. Weeds on several of the streets of the city were ordered cut and there being no further business the meeting adjourned.

The action of Council in defeating the ordinance giving the people the right to elect their own officers demonstrates very clearly the urgent need of a commission form of government. How soon will Council vote to retain themselves in office forever by passing an ordinance declaring they have the right to elect their own members and thus take everything out of the hands of the people?

The Ladies' Aid Society of the First Baptist church will meet in the Sunday school room Wednesday afternoon at 2:30 o'clock.

Squire Fred W. Bauer handed out the following Fourth of July fireworks: Fred Minton, drunk, \$6.15.

OLD SETTLERS' REUNION

The twenty-second annual reunion of the old settlers of Mason, Lewis and Fleming counties took place Saturday at Ruggles Campgrounds. Sel-don has one of these annual gatherings held under more unfavorable conditions, for it seemed that the elements tried to outdo themselves in the great downpour of the morning. Ruggles Campgrounds is one of the most delightful of places under ordinary circumstances, but a day like Saturday—well, the less said the better. A few people swam and waded into the grounds during the morning; fortunately at noon the clouds scattered, Old Sol got a chance, and in a little while things looked better and a fair sized crowd came during the afternoon. A year ago everyone hoped the coming of the Fourth would bring rain; this year the sentiment was the reverse. With fine weather a record breaking crowd would have been present, as one of the best programs that has been given in years was carried out. Ray's Military Band of Sardis was right there with the music. This young band proved to be a real live bunch of young musicians, and what was best, they were generous with it. They certainly enlivened what would have otherwise been a dismal and gloomy day. And when it came to the "cheer up" business, the Methodist Young People's choir of Maysville was "right there" too. It was hard to tell which organization drew forth the most applause from the crowd. And, speaking of the "cheer up" business, that Maysville Baptist preacher, Rev. H. B. Wilhoite, just about took the ribbon. His address on "The New Patriotism," given in the afternoon was just about the best we have heard in a long time. It was not only teeming full of good, sound gospel truths and timely suggestions, but was punctuated with so many witty sayings and humorous thrusts that the audience was kept right at the height of interest throughout. Two other Maysville people came in for a good share of applause for their part in the day's proceedings—Col. W. H. Meenach, who delivered a very able address in the morning, and Miss Ruth Willett, who gave one of her most interesting readings in the afternoon. Hon. Joseph Humphrey of Flemingsburg also gave a very eloquent patriotic address in the afternoon.

NOTES OF THE DAY

Col. W. H. Thomas, president of the Old Settlers' Association, had the arrangements well in hand, and presided in his usual dignified and eloquent manner. Col. Thomas is to be commended for his untiring interest and unselfish efforts to make these annual gatherings pleasant for everybody.

The reading of the "Declaration of Independence" by Mrs. Hook of Springdale and her comment thereon was a feature of the morning program.

Those Maysville girls sure did make a hit in their patriotic make-up. The rain, however, came pretty near playing havoc with their white decorations, especially white slippers and skirts; but these little inconveniences were soon forgotten in the joys of the day.

Mr. Frank Nash, tenor soloist of the Maysville choir, was the unfortunate loser of a gold watch. It is hoped the finder will return the same and secure the reward that Mr. Nash is willing to give.

The election of officers of the Association resulted in the re-election of the old officers, with the exception of the Treasurer, Mr. C. G. Degman, who declined re-election. The officers for the coming year are: President, W. H. Thomas; Vice President for Fleming county, J. Luther Markwell; Vice President for Mason county, I. M. Lane; Secretary, J. H. Richardson; Treasurer, J. P. Thomas.

The list of old settlers who have died during the year are as follows: Revs. Thomas N. Hanford, Bird Hughes, W. W. Hall and Ira G. Arnold. Ira Golden, Thomas A. Davis, Dr. William Bowman, C. A. Tucker, Mrs. Kate Fountain, Mrs. Martha Cropper, Smith Ackley, Mrs. Fannie Ruggles, Mace Drake and J. W. Hunter. This list, of course, does not include everyone who has died in the three counties, but those who have kept in touch with the Old Settlers' Association and its annual gatherings.

It was a hard day on motor buses. Everyone who tried to pull into the grounds stuck in the mud.

The Board of Directors of the Campmeeting Association met during the day to let the privileges, and to complete arrangements for the forthcoming campmeeting, which begins on Thursday, July 22. The following will have the privileges:

Hotel—William Hambrick. Confectionery—Jones, Hinton and Dodd.

Stables—Foxworthy Bros. Police—W. D. Hendrickson.

The services will be superintended by Revs. J. G. Dover and C. B. Plummer, district superintendents of the Covington and Ashland districts respectively. The best preachers of the Kentucky Conference will be present at different times during the meetings to preach.

Musical director—Mr. Boyd K. Muse. Pianist—Mrs. H. D. Cooper.

Cornetist—J. H. Richardson. Children's meetings—Mrs. Elizabeth Kreitz.

Young people's meetings—Revs. G. W. Hinton, P. D. and H. G. Carroll.

If the demand for cottages is an indication, this year will witness a big-

ger campmeeting than last year, which was the banner year with nearly five hundred campers. Anyone desiring to camp had better see President I. M. Lane in a few days else rooms will all be taken.

The presence of two distinguished attendants at these annual gatherings were greatly missed this year—Col. Thomas A. Davis of Maysville, who just recently passed over to the "great beyond;" Hon. Vincent Perkins of Tolesboro who for several months now has been very ill. These two men have always manifested the greatest interest in the meetings of the Old Settlers' Association. Many times have they thrilled the audiences with the power of their eloquence. And they not only attended regularly and spoke, but lent financial aid whenever such was needed. By unanimous vote of the audience this year the secretary was directed to extend to Mr. Perkins their deepest sympathy and hopes for his speedy recovery.

POLICE COURT.

Saturday afternoon Police Judge John L. Whitaker fined the following:

Lucille Pleasant, loitering, \$4.90. Lillie Stewart, loitering, \$4.90.

Rev. W. B. Godbey, of Perryville, Ky., will preach at the Holiness church this afternoon at 2:30 and this evening at 7:30.

At a special election held on last Saturday, July 3, in the school precincts of Moransburg, Beasley and Charleston, a proposition to consolidate the three districts was carried by 53 majority. By this vote the residents of those precincts have placed upon themselves an extra tax of 25 cents per \$100 for the purpose of consolidating the three schools in these districts.

C. & O. Train No. 2 Runs Over and Kills Elisha Cragg, Near South Ripley, Saturday Afternoon.

Saturday afternoon C. & O. train No. 2, in charge of Conductor W. S. Mead ran over and instantly killed Elisha Cragg, aged 70, of near South Ripley.

Cragg, who was very deaf, was gathering coal off the railroad in front of his home and did not hear the approaching train until it was too late. Cragg's body was thrown several feet, being badly cut, the skull being fractured, and died before the train crew reached him. The body was picked up and taken to the home of his sister, where he lived.

Coroner Charles Slack held an inquest Sunday morning and the Coroner's Jury gave the following verdict:

July 4, 1915. We, the Coroner's Jury, do find this day that Elisha Cragg, aged 74, came to his death by being struck by the C. & O. train No. 2 on Saturday afternoon about 1 o'clock near South Ripley, Ky. As far as we know his death was accidental.
